1. Acceptance of apologies for absence

Apologies were received from Debbie Gates.

2. Declaration of Interest in items on the agenda

No councillors declared an interest in any items on the agenda.

3. Correspondence from Greene King re the playing field

The boundary of the playing field was established in the late 1970's. Up until then the access was at the bottom corner of the playing field. The current access was established in the mid-eighties. When Greene King sold the land to Prospective Developments Ltd in May 2000, they retained a right of access to the playing field.

It was resolved that the Parish Council would continue with the purchase of the playing field and that the clerk would ask Greene King to put their offer to the board with a view to completing the sale as soon as possible, should the offer be accepted.

4. There being no further business the meeting closed at 8.09pm.
